ALL CAY GARAGE SALE AND CLEANUP Week...

In celebration of Earth Day, Paradise Cay is organizing an ALL-Cay Garage sale on Saturday, April 30th. Bring out your unwanted stuff and sell it from your driveway on Saturday, April 30th between 9 and noon. A dumpster will be available on Martinique for items that do not sell with separate bins for toxic materials (i.e. paints) and electronics (which will be taken to the recycle center in San Rafael).

ITEMS THAT **SHOULD NOT** BE PLACED IN THE DUMPSTER:

- Hazardous Waste
- Asbestos Materials
- Toxic or Medical Waste
- TV or electronic waste
- Oil or auto part debris
- Wet garbage (kitchen waste)

NOW is a great time to cut back your landscaping that is overhanging your sidewalk and make the Cay more accessible to all. With luck, you can move your cars back in your garage!

Beautification committee:

Each month Guermo cleans up Antilles and Martinique and ensures both streets are free of trash and weeds. While he does a great job, he only comes once a month, so please pick up trash on your street and do your part to keep our Cay clean.

Thank you
